To Whom It May Concern:

[REDACTED] has been a student in my Home Language Arts class for the last three years. He started in HLA Beginners, and this year he is in HLA Advanced. [REDACTED] has always been well-behaved in my class. He is soft-spoken, polite, and compliant with classroom procedures. I do not know what his behavior is like outside of my classroom, but I personally believe that this young man can have a bright future if we encourage him and guide him to make the right choices in life.

Sincerely,

Mercedes Peña
